

What to expect from a vICIS 2020

Login page

On the day of the congress you will login to vICIS 2020 through the infantstudies.org website, entering your username (your email address) and password (the password you chose when you registered for vICIS 2020). If you have forgotten your password, simply click the forgot my password link to re-set.

Please note: this is not a mobile friendly platform and is best experienced on a larger screen, rather than a handheld device.

Main Conference Lobby:

Once you have logged in, you will first enter the virtual lobby, as seen below. From this lobby you will click on the various blocks to access the different spaces within the virtual platform. These spaces include the Session Lobby, where you will enter the various session 'rooms', as well as the Exhibit and Poster Hall, where you can view the posters and exhibitors presenting at the vICIS 2020. Please scroll down to find out more information on the various virtual spaces.

The Sessions Lobby:

The sessions lobby provides an overview of the congress meeting 'rooms', where you can review what's currently scheduled versus what's coming up later. Scroll to the right to view rooms not visible in the window. The dates and times will adapt automatically to appear in your time zone location:

Inside a Session Room:

Once you have determined which session you want to participate in, you will enter the room by clicking on the 'enter room' button. You will then see a screen, where the talk can be viewed, plus the text box for the Q&A:

Conference Room Mode

Text Chat ~ Attendees here now: 1 (including you) Who's Here? Pop Out Chat

Attendee	Message	Time
Cendrine De Vis	hi. tjune 16.	8/18/2020 10:18:07 AM
Iris Elias	test	8/12/2020 11:14:30 AM
Iris Elias	Test	8/12/2020 11:14:18 AM
Lauren Moline	test	8/12/2020 11:12:41 AM

Enter your message below Chat Update: Auto (click to change)

← Viewing screen

← Click on the blue Picture-in-Picture (PiP) allows you to watch videos in a floating window (always on top of other windows)

← Click to make full screen

← Chat box for Q&A only

To ask a question, simply enter it into the text box provided. The question will be linked to your name and all questions and answers will be seen by all attendees in the 'room'. If you wish to private chat with an individual attendee, click on the 'Who's Here?' button to view a list of who is online. Then click on the icon beside the name of the person you wish to private chat with.

In between sessions and during the Q&A time, you will see a static slide instead of a full video. The chat box is still live during this time and is dedicated time for Q&A.

Exhibit and Poster Hall:

Much like an onsite conference, the poster and exhibit hall are accessed through the same space - simply click on the respective blocks to view the posters or exhibitors

Viewing the Posters:

Upon entering the poster hall, you will see a list of poster number icons. Simply click on the poster number icon to view a specific poster.

The screenshot shows the 'Exhibition Hall' interface. At the top left, there is a header 'Exhibition Hall' with a sub-header 'Welcome to the exhibit hall - please select from the options below to visit the different areas.' Below this is a row of seven white rectangular buttons with black text, representing poster numbers: P1-C-40, P1-C-41, P1-C-42, P2-A-1, P2-A-2, P3-G-121, and P3-G-122. To the right of these buttons is a search bar with a magnifying glass icon, highlighted by a red oval and a red arrow pointing to it from the right. Below the search bar, the text 'search poster number, key word, author last name etc' is written.

You'll then be taken to the individual poster 'stand', which will look a lot like the below:

The screenshot shows an individual poster stand interface. At the top left is the ICIS logo. To the right of the logo is a navigation bar with links: Conference Lobby, Exhibition Hall, Chat Lounge, Sessions Lobby, On Demand Video, and Help Center. The main content area is divided into two columns. The left column contains a large black silhouette of a person, a 'Welcome' button, and an 'Additional Information' button. The right column contains the following text: 'Poster Number: P3-A-2', 'Poster Title: Title for Poster', 'Poster Author list', 'Poster Affiliation list', 'Poster Presenter: First name Last name', 'Panel Theme: A-Motor and Sensorimotor Processes', and 'Abstract: abstract text'. To the left of the poster stand, there are two red arrows pointing to the 'Welcome' and 'Additional Information' buttons. Below the 'Additional Information' button, there is a text block: 'The Additional Information button is optional information, provided by the poster presenter. It will include additional items such as, 5-minute video summarising the poster research, a PDF of the poster and/or supplemental documents in support of the submission. This section will include any links for Zoom chats and further contact information'. To the right of the poster stand, there is a chat window titled 'Name of poster presenter' with a close button 'X Close'. The chat window contains the text: 'Who's Here? This chat box will appear when the poster presenter is online and ready to live chat. If you wish to private chat, click on the 'Who's here?' button. If the presenter is offline, the text box will not be accessible, but you can email the poster presenter directly.' Below the chat window is a text input field with the placeholder 'Enter your message below', a 'Send' button, and the text 'Public Chat'.

Visiting an Exhibitor:

vICIS is pleased to be supported by four exhibitors, all of whom will be available to chat with by text, via email and some through Zoom face to face meetings. Once you choose the Exhibitor Lobby, you will have the choice of which booth to visit. Simply click the logo of the exhibitor you would like to meet with, or learn more about, to enter their virtual booth.

LENA[®]
Building brains through early talk

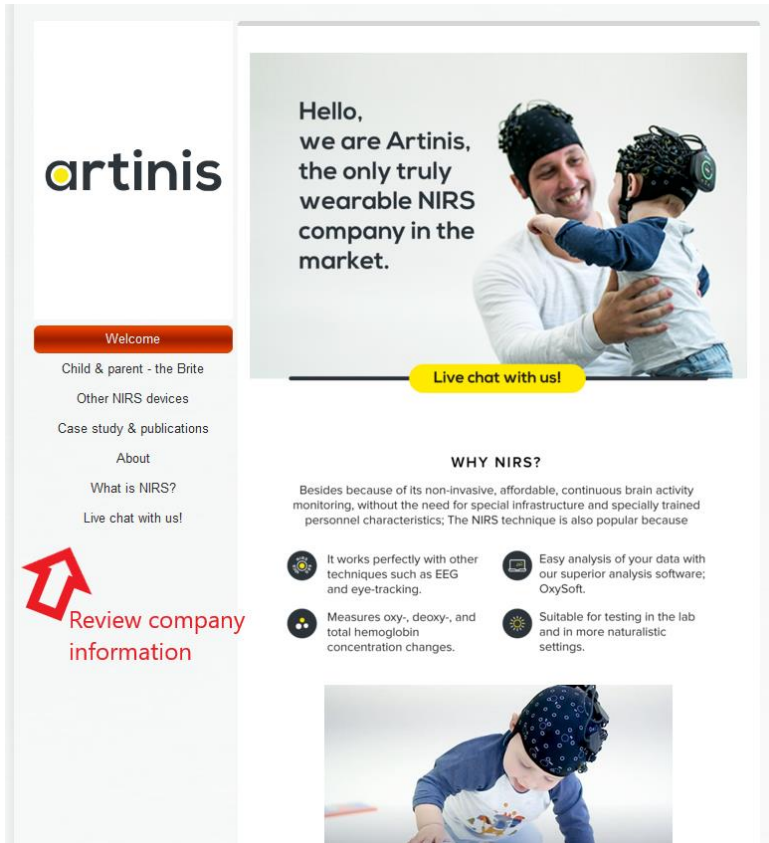

//Mangold

Noldus
Information Technology

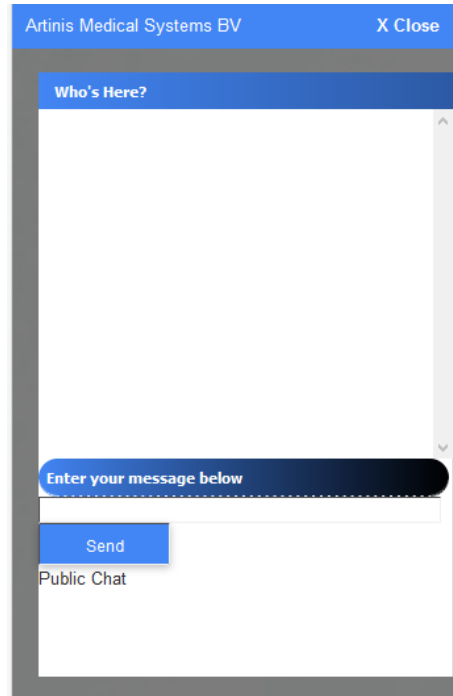

Once you've entered the exhibit booth, you will be able to review their products, learn more about their company, view videos, and more!

Chat functions are available when the exhibitor representative is in their booth or via email if they have enabled this feature.

The image shows a website landing page for Artinis. On the left is a navigation menu with the Artinis logo at the top. Below the logo is a 'Welcome' button, followed by links for 'Child & parent - the Brite', 'Other NIRS devices', 'Case study & publications', 'About', 'What is NIRS?', and 'Live chat with us!'. A red arrow points to the 'Live chat with us!' link with the text 'Review company information'. The main content area features a large image of a man and a child wearing NIRS headsets. Text next to the image says 'Hello, we are Artinis, the only truly wearable NIRS company in the market.' Below this is a 'Live chat with us!' button. Underneath is a section titled 'WHY NIRS?' with a paragraph of text and four bullet points, each with an icon. At the bottom of this section is a smaller image of a child wearing a NIRS headset.

The image shows a chat interface window titled 'Artinis Medical Systems BV' with a close button 'X Close'. The chat area is titled 'Who's Here?' and is currently empty. Below the chat area is a text input field with the placeholder 'Enter your message below' and a blue 'Send' button. At the bottom of the chat window, it says 'Public Chat'.
